A+UP CHARTER SCHOOL
STUDENT CODE OF CONDUCT
2019-2020

Purpose of the Student Code of Conduct
To function properly, education must provide an equal learning opportunity for all students by recognizing, valuing, and addressing the individual needs of every student. In addition to the regular curriculum, principles and practices of good citizenship must also be taught and modeled by school staff. To foster an orderly and distraction-free environment, A+UP has established this Student Code of Conduct (“the Code”) in accordance with state law and the A+UP open-enrollment charter. The Code has been adopted by the Board of Directors, and provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each campus and/or will be available for review at the campus office. Parents will be notified of any violation that may result in a student being suspended or expelled from A+UP. Students must be familiar with the standards set forth in the Student Code of Conduct, as well as campus and classroom rules.

The Code does not define all types and aspects of student behavior, as A+UP may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code. When students participate in student activities, they will also be expected to follow the guidelines and constitutions that further specify the organization’s expectations, student behavior and consequences.

Authority and Jurisdiction
A+UP has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on A+UP transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is attending any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. For any expulsion offense committed while on A+UP property or while attending a school-sponsored or school-related activity of A+UP or another school in Texas;
6. For any expulsion offense committed away from A+UP property and not at a school-sponsored or school-related event, if the misconduct creates a substantial disruption to the educational environment;
7. While the student is in transit to or from school or to or from school-related activities or events;
8. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
9. When the student commits a felony, including those provided by Texas Education Code §§ 37.006 or 37.0081, regardless of time or location; and
10. When criminal mischief is committed on or off A+UP property or at a school-related event.

Reporting Crimes
In addition to disciplinary consequences, misdemeanor and felony offenses committed on campus or while attending school-sponsored or school-related activities will be reported to an appropriate law enforcement agency.
Standards for Student Conduct
Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet A+UP’s standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other A+UP staff and volunteers.
- Respect the property of others, including A+UP property and facilities.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.
- Adhere to the requirements of the Student Code of Conduct.

Discipline Management Techniques
Disciplinary techniques are designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques. Discipline will be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, unless otherwise specified by law, may bring into consideration varying techniques and responses.

Techniques
The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Assignment of school duties such as cleaning or picking up litter.
- Behavioral contracts.
- Cooling-off time or “time-out.”
- Counseling by teachers, counselors, or administrative personnel.
- Rewards for positive behavior.
- Demerits.
- Detention.
- Expulsion from A+UP, as specified in the expulsion section of the Code.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- In-school suspension, as specified in the suspension section of the Code.
- Out-of-school suspension, as specified in the suspension section of the Code.
- Parent-teacher conferences.
- Penalties identified in individual student organizations’ extracurricular standards of behavior.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by A+UP.
- School-assessed and school-administered probation (final warning contracts).
- Seating changes within the classroom.
- Sending the student to the office or other assigned area.
- Techniques or penalties identified in individual student organizations’ extracurricular standards of behavior.
- Temporary confiscation of items that disrupt the educational process.
- Verbal correction, oral or written.
- Withdrawal of privileges, such as participation in extracurricular activities, field trips, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Withdrawal or restriction of bus privileges.
- Other strategies and consequences as determined by school officials.

Corporal Punishment
A+UP will NOT administer corporal punishment upon a student for misconduct.

Student Code of Conduct Consequences

Detention

Detention may be held on each day during school for up to eight hours. Students who serve detention must make arrangements to be picked up from school. Parents may request in person a delay of the detention; no phone calls or notes will be accepted.

After School Detention

The following rules apply to students assigned to after school detention:

1. Students will bring materials to work on. Classroom materials may also be sent by a teacher.
2. Students will not be permitted to go to their lockers during detention; all materials must be brought to the detention room when reporting.
3. Sleeping is not permitted.
4. Students will follow all rules concerning classroom behavior. Failure to comply will mean suspension from school.
5. Any student assigned to detention must stay the entire time. Students refusing to complete their time will be suspended from school.
Suspension
A+UP utilizes two kinds of suspension: in school suspension and out of school suspension.

The Principal Learning Coach will give notice of suspension and the reasons for the suspension to the student. In deciding whether to order out-of-school suspension, the administrator may take into consideration factors including self-defense, prior discipline history, intent or lack of intent and other appropriate or mitigating factors determined by the administrator.

Removal from School Transportation
A student being transported by A+UP transportation to or from school or a school-sponsored or school-related activity may be removed from a school vehicle for conduct violating the school’s established standards for conduct in a school vehicle.

Conferences, Hearings, and Appeals
All students are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by applicable state and federal law, and A+UP policy.

Process for Suspensions Lasting Up to Three Days
In addition to the above list of Code of Conduct violations, the Principal Learning Coach has authority to suspend a student for a period of up to three school days for any of the following additional reasons:

1. The need to further investigate an incident,
2. A recommendation to expel the student, or
3. An emergency constituting endangerment to health or safety.

Prerequisites to Suspension
Prior to suspending a student for up to three days, the Principal or designee must attempt to hold an informal conference with the student to:

1. Notify the student of the accusations against him/her,
2. Allow the student to relate his or her version of the incident, and
3. Determine whether the student’s conduct warrants suspension.

Notification to Parents/Guardians
If the Principal Learning Coach or designee determines the student’s conduct warrants suspension during the school day for up to three days, the Principal Learning Coach or designee will make reasonable effort to notify the student’s parent(s) that the student has been suspended before the student is sent home. The Principal Learning Coach or designee will notify a suspended student’s parent(s) of the period of suspension, the grounds for the suspension, and the time and place for an opportunity to confer with the Principal.

Credit During Suspension
A student shall receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of school days the student was absent on suspension.
Process for Out-of-School Suspensions Over Three Days (extended suspension) and Expulsion

Notice
When the Superintendent or designee determine that a student’s conduct warrants suspension for more than three days (extended suspension) or expulsion, but prior to taking any such action, the Principal or designee will provide the student’s parent(s) with written notice of:

1. The reasons for the proposed disciplinary action; and
2. The date and location for a hearing before the Supervision, within five school days from the date of the disciplinary action.

The notice shall further state that, at the hearing, the student:

1. May be present;
2. Shall have an opportunity to present evidence;
3. Shall be apprised and informed of A+UP’s evidence;
4. May be accompanied by his or her parent(s); and
5. May be represented by an attorney.

Hearing Before the Principal Learning Coach/Superintendent
A+UP shall make a good faith effort to inform the student and the student’s parent(s) of the time and place for the hearing, and A+UP shall hold the hearing regardless of whether the student, the student’s parent(s) or another adult representing the student attends. The Principal Learning Coach/Superintendent may audio record the hearing.

Immediately following the hearing, the Principal Learning Coach/Superintendent will notify the student and the student’s parent(s) in writing of his or her decision. The decision shall specify:

1. The length of the extended suspension or expulsion, if any;
2. When or if the expulsion is not permanent, the procedures for re-admittance at the end of the expulsion period if at all; and
3. The right to appeal the Principal Learning Coach/Superintendent’s decision to the Board of Directors or the Board’s designee.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

Appeal to the Board of Directors
The student or his or her parent(s) may appeal the extended suspension or expulsion decision to the Board of Directors by notifying the Principal in writing within five calendar days of the date of receipt of the Principal’s decision. The Board will review the audio or transcribed record from the hearing before the Principal at a regular or specially called meeting in closed session. The Board will notify the student and his or her parent(s) of its decision within five calendar days of the meeting. The decision of the Board is final and may not be appealed.

Please note that discipline consequences will not be deferred pending the outcome of an appeal of an extended suspension or expulsion to the Board.

No Credit Earned
Except when required by law, students will not earn academic credit during a period of expulsion.
**Emergency Placement and Expulsion**
If the Principal or designee reasonably believes a student’s behavior is so unruly, disruptive, or abusive that it seriously interferes with a teacher’s ability to communicate effectively with students in a class, with the ability of a student’s classmates to learn, or with the operation of A+UP or a school-sponsored activity, the Principal or designee may order immediate removal of the student. The Principal or designee may impose immediate suspension if he or she reasonably believes such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

**Placement of Students with Disabilities**
All disciplinary actions regarding students with disabilities (504 or special education under the IDEA) shall be conducted in accordance with applicable federal and state laws.

**Suspension/Expulsion Requirement**
A student with a disability shall not be removed from his or her current placement for disciplinary reasons and/or pending appeal to the Board of Directors for more than ten days without ARD Committee action to determine appropriate services in the interim and otherwise in accordance with applicable law. If a special education due process appeal to a TEA special education hearing officer is made, the student with a disability shall remain in the then current education setting in place at the time such appeal is noticed to A+UP, unless A+UP and the student’s parents agree otherwise.

**Gun-Free Schools Act**
In accordance with the Gun-Free Schools Act, A+UP shall expel, from the student’s regular program for a period of one year, any student who is determined to have brought a firearm, as defined by federal law, to school. The Principal may modify the term of expulsion for a student or assess another comparable penalty that results in the student’s expulsion from the regular school program on a case-by-case basis and in accordance with legal requirements.
