Welcome!

To Students and Parents:

A+ Unlimited Potential Charter School is committed to ensuring that our schools are safe, secure and nurturing environments in which teaching and learning take place each day. A safe, supportive school environment depends on the cooperation of scholars, parents, and staff in promoting the highest expectations for student behavior. In order to ensure a climate of mutual respect among all parties at A+UP, we have developed a Learning Community Handbook that is designed to provide information about our school operations and serves to guide the way we work and the culture within our schools.

The Handbook is an overview of our school’s goals, services, and rules. It is an essential reference book describing what we expect of our students and parents, what they can expect of us, and how we will achieve our educational mission. We have attempted to make the language in this Handbook as straightforward as possible. Please note that the term “parent” is used to refer to the parent, legal guardian, or other person who has agreed to assume school-related responsibility for a student.

The Handbook is divided into six sections. The first section includes general information regarding school policy and procedures. The second section provides important health and safety information. The third section provides information about academics and grading. The fourth section is the Student Code of Conduct, which is required by state law and intended to promote school safety and an atmosphere for learning. Both students and parents need to be familiar with the Student Code of Conduct. The Student Code of Conduct is also available in the main office at each campus, and is posted on the school’s website. The fifth section is especially for parents, with information regarding parental rights. Finally, the sixth section contains important notices regarding student information, computer resources, and electronic communication devices.

This Handbook is designed to be in harmony with Board Policy. Please be aware that the Handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy and procedure that affect Handbook provisions will be made available to students and parents through newsletters and other communications. In case of conflict between Board Policy and any provision of this Handbook, the provision that was most recently adopted by the Board of Directors will be followed.

We ask our parents to review the entire Handbook with their students and to keep it as a reference during this school year. Parents or students with questions about the material in this Handbook should contact their Principal Learning Coach.

Finally, you must complete and return the last page of the Handbook – “Acknowledgement and Approval of Learning Community Handbook” – to the school office at your campus.

On behalf of the entire A+UP staff and community, best wishes for a great 2019–2020 school year!
SECTION 1: GENERAL INFORMATION

MISSION: Through the power of relationships and personal learning, A+UP sparks a passion for self-improvement in the students we serve.

VISION: Our scholars dedicate themselves to a lifelong pursuit of learning and personal growth.

GOAL: Our goal is to coach each scholar to realize their unlimited potential and take ownership of their success.

TERMINOLOGY

Principal Learning Coach and Learning Coaches
Houston A+UP believes that the most important relationship is between the student and the teacher. We also believe that literacy and numeracy are the keys to student learning. As such, we have hired certified teachers who are skilled in those areas and who are masterful instructors. We call these amazing teachers Learning Coaches. These Learning Coaches will behave differently from typical classroom teachers in that they will spend less of the day directly instructing students and more of the day “coaching” students to learn. The coaching aspect of their job will be a combination of field experiences throughout the community, group work time in the classroom setting, and blended learning on computers. Each campus will have a Principal Learning Coach to lead the work.

Blended Learning
A+UP is a school that uses technology to support scholars as they get additional support to either catch up or move beyond. Blended learning is the educational process of having parts of the learning experience blended with technology. A+UP uses blended learning as a way of delivering instruction in all content areas.

A+UP Learning Community
For the purposes of this document, “school” “campus” or “building” will refer to the location of the students of A+UP, whether it be on our campuses or at a museum, a remote location, a community center, or other partner organization’s building.

Statement of Non-Discrimination
A+UP does not discriminate on the basis of race, religion, color, national origin, sex or gender, disability, or age in providing educational services, activities, and programs, including vocational and career technology programs. A+UP complies with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; Title II of the Americans with Disabilities Act of 1990 (“ADA”), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and any other legally-protected classification or status protected by applicable law.

Any questions or concerns about A+UP’s compliance with these federal programs should be brought to the attention of the following persons designated as being responsible for coordinating compliance with these requirements:

- The Title IX Coordinator, for concerns regarding discrimination on the basis of sex/gender, is PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837.
• The ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability, is PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837.

• The Age Discrimination Coordinator, for concerns regarding discrimination on the basis of age, is PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837.

• All other concerns regarding discrimination may be directed to PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837.

General Admissions and Enrollment Information
Admission and enrollment of students shall be open to persons who reside within the geographic boundaries stated in the school’s charter, and who are eligible for admission based on lawful criteria identified in the charter and in state law. The total number of students enrolled in A+UP shall not exceed the number of students approved in the charter or subsequent amendments. Total enrollment may further be limited by A+UP based on occupancy limitations, code compliance and staffing requirements as deemed necessary.

In accordance with state law, A+UP does not discriminate in its admissions policy on the basis of sex; national origin; ethnicity; religion; disability; academic, artistic, or athletic ability; or the district the child would otherwise attend.

Exclusion from Admission
As authorized by the A+UP charter and Texas Education Code § 12.111(a)(5)(A), students with a documented history of a criminal offense, a juvenile court adjudication, or other discipline problems under Texas Education Code Chapter 37, Subchapter A may be excluded from admission and enrollment in A+UP.

Submission of Applications and Admissions Lottery
Students wanting to attend A+UP must submit an application during the school’s open enrollment period, which takes place during the November through February each year, or as otherwise set by the administration. Enrollment forms are available online through the A+UP website.

If fewer applications than spots available are received, students will be offered admission on a first-come, first-served basis. If A+UP receives more applications than it has spots available in any grade level, it will conduct a random lottery. Each applicant selected during the lottery (up until all open seats are filled) will be offered admission. Once all enrollment spots have been filled by the lottery, the lottery will continue and applicants will be placed on a waiting list in the order in which they are drawn. If a vacancy arises before the commencement of the next school year, the individual on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list.

If an application is received after the application period has passed, the applicant’s name will be added to the waiting list behind the names of the applicants who timely applied.

Families offered an enrollment seat will be sent a registration packet with instructions for registering must complete and return the registration packet by the published deadline in order to secure enrollment. If an enrollment offer is declined or if you do not complete the registration packet by the established deadline, your child’s seat will be offered to the next potential student on the waiting list.

Exceptions to Lottery Process: Federal guidelines permit A+UP to exempt from the lottery students who are already attending A+UP; siblings of students already admitted to or attending A+UP; and children of
A+UP’s founders, teachers, and staff, so long as the total number of students allowed under this exemption constitutes only a small percentage of A+UP’s total enrollment.

**McKinney-Vento Homeless Education Assistance Act of 2001**

Homeless children and youth are ensured specific educational rights and protections, and will be provided flexibility with respect to the following:

- Proof of residency requirements;
- Immunization requirements;
- Educational program placement in some instances, such as inability to provide previous academic records;
- Award of partial credit;
- Eligibility requirements for participating in extracurricular activities; and
- Graduation requirements.

“Homeless children and youth” as defined and covered by the McKinney-Vento Homeless Education Assistance Act of 2001:

- Means individuals who lack a fixed, regular, and adequate nighttime residence.
- Includes children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations.
- Are living in emergency or transitional shelters.
- Are abandoned in hospitals, or are awaiting foster care placement.
- Children and youth who have a primary nighttime residence that is a public or private place not designed as a regular sleeping accommodation for human beings.
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations.

Parents of students in homeless situations can keep their students in their schools of origin (the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled even if the student is now residing outside the school attendance area or school district) or enroll them in any public school that students living in the same attendance area are eligible to attend.

Questions concerning assistance offered to homeless students can be obtained from PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837.

**Student Information**

Any student admitted to A+UP must have records, such as a report card and/or transcript from the previous school attended, to verify his or her academic standing. Verification of residency and current immunization records are also required. Every student enrolling in A+UP for the first time must present documentation of immunizations as required by the Texas Department of State Health Services.

No later than 30 days after enrolling in A+UP, the parent and school district in which the student was previously enrolled shall furnish records that verify the identity of the student. These records may include the student’s birth certificate or a copy of the student’s school records from the most recently attended school. Students will not be denied enrollment because they failed to meet this requirement.
A+UP will forward a student’s records on request to at school in which a student seeks or intends to enroll without the necessity of the parents’ consent.

**Food Allergy Information**
The parent of each student enrolled in A+UP must complete a form provided by A+UP that discloses (1) whether the child has a food allergy or a severe food allergy that should be disclosed to the school to enable it to take any necessary precautions regarding the child’s safety and (2) specifies the food(s) to which the child is allergic and the nature of the allergic reaction.

For purposes of this requirement, the term “severe food allergy” means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

A+UP may also require information from a child’s physician if the child has food allergies.

Food allergy information forms will be maintained in the child’s student records, and shall remain confidential. Information provided on food allergy information forms may be disclosed to teachers, school counselors, school nurses, and other appropriate school personnel only to the extent consistent with Board policy and as permissible under the Family Educational Rights and Privacy Act of 1974 ("FERPA").

**Establishing Identification**
Any of the following documents are acceptable for proof of identification and age: birth certificate; driver’s license; passport; school ID card; records, or report card; military ID; hospital birth records; adoption records; church baptismal record; or any other legal document that establishes identity.

**Undocumented Students**
Enrollment may not be denied to children who are not legally admitted into the United States.

**Residency Verification**
The Texas Education Code authorizes schools to obtain evidence that a person is eligible to attend public schools. To be eligible for continued enrollment in A+UP, each student’s parent must show proof of residency at the time of enrollment. Residency may be verified through observation, documentation, and other means, including, but not limited to:

1. A recently paid rent receipt,
2. A current lease agreement,
3. The most recent tax receipt indicating home ownership,
4. A current utility bill indication the address and name of the residence occupiers,
5. Mailing addresses of the residence occupiers,
6. Visual inspection of the residence,
7. Interviews with persons with relevant information, or
8. Building permits issued to a parent on or before September 1st of the school year in which admission is sought (permits will serve as evidence of residency for the school year in which admission is sought only).

Falsification of residence on an enrollment form is a criminal offense.
**School Calendar**
A+UP operates according to the school calendar adopted annually by the Board of Directors. Holidays may be used as school make-up days for days lost due to bad weather. The latest changes to the calendar will be available on the school’s website.

**School Day**
Classes begin at 8:00 a.m. and are dismissed at 3:30 p.m. Students may be dropped off as early as 7:30 a.m. They will be supervised, but there are no organized activities before the instructional day begins.

Students enrolled in after-school programming or who are signed up for academic supervision may be on campus, provided that all applicable fees for activities and/or supervision have been paid. These fees vary, and will be published on our website and communicated to parents.

**Drop-off and Pick-up Procedures**
All students must be dropped off and picked up ONLY in the designated areas. Parents can also park and walk to drop off and pick up their child from the designated areas. The current drop off and pick up maps are available in the front office.

**Attendance**
Consistent school attendance is an essential component of each student’s education. Absence from school will affect a student’s ability to succeed in class; therefore, students and parents should make every effort to avoid unnecessary absences. Additionally, state law mandates compulsory school attendance for children of a certain age, and A+UP policy deals with attendance for course credit and a student’s final grade. These items laws are discussed below.

**Texas Compulsory Attendance Law**
The state compulsory attendance law requires that a student between the ages of six and 19 must attend school any applicable accelerated instruction programs and school-required tutorial sessions unless the student is otherwise legally exempted or excused. A+UP staff must investigate and report violations of the state compulsory attendance law. A student absent from school without permission from any class, from required special programs, or from required tutorials will be considered “truant” and subject to disciplinary action.

**Notice to Parents**: Under Texas Education Code § 25.095(a), you are hereby notified that if a student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student’s parent is subject to prosecution under Texas Education Code § 25.093; and the student is subject to referral to a truancy court for truant conduct under Texas Family Code § 65.003(a).

A+UP shall notify a student’s parent if the student has been absent from school, without excuse, on three days or parts of days within a four-week period. The notice will inform the parent that it is the parent’s duty to monitor the student’s school attendance and require the student to attend school; the student is subject to truancy prevention measures under Texas Education Code § 25.0915; and that a conference between school officials and the parent is needed to discuss the absences.

**Attendance for Credit or Final Grade**
To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered may
receive credit for the class if he or she completes a plan, approved by the Principal Learning Coach that allows the student to fulfill the instructional requirements for the class. If a student attends less than 75 percent of the days a class is offered or has not completed a plan approved by the Principal Learning Coach team, then the student will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit, if appropriate.

To receive credit or a final grade in a class, a student must attend at least 90% of the days the class is offered. These days include both excused and unexcused absences. A student who attends fewer than 90% of the days the class is offered may be referred to the Attendance Review Committee to determine whether the absences were due to extenuating circumstances and how the student may regain credit or earn a final grade.

The Attendance Review Committee will consider the following factors when determining whether there are extenuating circumstances for the absence:

1. All absences, whether excused or unexcused, must be considered, with consideration given to special circumstances as defined by the Texas Education Code.
2. For a student transferring into A+UP after school begins, including a migrant student, only those absences after enrollment will be considered.
3. In reaching consensus about a student’s absences, the committee will attempt to ensure that its decision is in the best interest of the student.
4. The committee will consider whether the absences were for reasons over which the student or parent could exercise control.
5. The committee will consider the acceptability and authenticity of documentation expressing reasons for the student’s absences.
6. The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
7. The student, parent or other representative will be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

If credit is lost or a final grade is not earned due to excessive absences, the Attendance Review Committee will decide how the student may regain credit or earn a final grade. If the committee determines there are no extenuating circumstances and that credit or a final grade may not be earned, the student or parent may appeal the committee’s decision to the Board of Directors by filing a written request with the Superintendent. The appeal notice must be postmarked to the following address within five days following the last day of instruction in the semester for which credit was denied:

A+UP, 2410 Hamilton St. Houston, TX 77004

The appeal will then be placed on the agenda of the next regularly scheduled Board meeting. The Superintendent or designee shall inform the student or parent of the date, time, and place of the meeting.

**Absence and Tardiness**

When a student must be absent from school, parents are asked to call the school each day the student will be absent. Upon returning to school, the student must bring a note, signed by the parent, or a medical excuse signed and dated by a provider **after a three-day absence** that describes the reason for the absence. Notes should be submitted to the school registrar, and may be scanned and emailed, submitted through
the A+UP website, or faxed to the school. If a note is not received within 5 school days of the absence, the absence will be recorded as unexcused.

Because excessive absences are considered truancy under state law, A+UP reserves the right to take extreme absence cases to court.

A+UP recognizes two kinds of absences: excused and unexcused. Students and parents should read this section carefully to understand the school’s expectations. Students and parents should also be aware of the school’s policy regarding homework, quizzes, and tests following an absence.

**Excused Absences**
State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

- Religious holy days.
- Required court appearances.
- Activities related to obtaining United States citizenship.
- Service as an election clerk.
- Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student’s arrival or return to campus.
- For students in the conservatorship (custody) of the state who need to attend:
  - An activity required under a court-ordered service plan; or
  - Any other court-ordered activity provided it is not practicable to schedule the student’s participation in the activity outside of school hours.

Absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments.

For religious holy days, required court appearances, activities related to obtaining citizenship, and services an election clerk, one day of travel to the site and one day of travel from the site shall also be excused by A+UP.

The only additional excused absences are for personal illness, death in the immediate family (parent, sibling, grandparent, or member of the immediate household), a school-related absence or an absence approved in advance by Principal Learning Coach due to extenuating circumstances.

**Unexcused Absences**
Any absence not listed above or approved in advance by Principal Learning Coach due to extenuating circumstances will be considered an unexcused absence.

**Tardiness and Late Arrival**
Nearly all tardiness is avoidable. If a student arrives late to school, a parent must report to the school office to complete a tardy slip. Repeated tardiness may result in disciplinary consequences as allowed by the Student Code of Conduct.
**Release of Students from School**
A student will not be released from school at times other than at the end of the school day except with permission from Principal Learning Coach or designee and in accordance with campus sign-out procedures. Additionally, state rules require that parental consent be obtained before a student under the age of 18 may leave campus at any point in the school day.

Because class time is important, doctor’s appointments or meetings with other professionals should be scheduled at times when the student will not miss instructional time, if possible.

**Closed Campus**
Students are not permitted to leave campus for lunch. Parents may only bring lunch for their own children. Students and adults may not bring in or give away food to other students during lunch times.

**Withdrawals**

**Voluntary Withdrawal**
A student under 18 years of age may be withdrawn from school only by a parent. A+UP requests notice from the parent at least three days in advance so that records and documents may be prepared. Parents may obtain a withdrawal form from the main office. The parent shall also provide the name of the new school in which the student will be enrolled, and must sign the withdrawal request to document that the student will continue to be enrolled in a school as required by compulsory attendance laws.

Withdrawal forms must be appropriately completed and signed before withdrawal is complete.

**Involuntary Withdrawal**
A+UP may initiate withdrawal of a student under the age of 19 for non-attendance if:

1. the student has been absent 10 consecutive school days, and
2. repeated efforts by the school to locate the student have been unsuccessful.

**Dress and Grooming**
The school’s dress and grooming standards are designed to teach grooming and hygiene, prevent disruption, minimize safety hazards, and provide a dress standard that offers flexibility for the parent and student. Students must come to school cleanly and neatly groomed and wearing clothing that will not be a health or safety hazard to the student or others, and that will not distract from the educational atmosphere of the school. Students are required to arrive in proper attire every day.

Students who do not follow the school’s guidelines for personal attire and appearance may be subject to discipline under the Student Code of Conduct. Additionally, a parent may be contacted to bring an acceptable change of clothing to school, and the student may be assigned to in-school suspension for the remainder of the day until a change of clothes is brought to the school.
A+UP students are expected to dress in a manner that conveys respect for their learning community and communicates a message of personal confidence and pride. The following specific guidelines must be adhered to:

1. Halter tops, exposed midriffs, strapless and/or low cut tops, exposed backs, spaghetti straps, see-through clothing, and tanks with oversized armholes are not permitted. Undergarments shall not be visible or exposed.
2. Clothing or conspicuously displayed jewelry or accessories with inappropriate advertising or statements that are offensive or inflammatory are prohibited. This prohibition includes, but not limited to, alcoholic beverages, profanity, sex, tobacco, drugs, gangs, guns, and other weapons, excessively violent or gory imagery, and the promotion of violence.
3. Pants shall be worn securely at the waist. Excessively worn, torn, frayed, over-sized or long clothing is not permitted. Undergarments shall not be visible or exposed.
4. Hats, caps, or other head apparel are not permitted indoors unless for religious reasons.
5. Bottoms should be of appropriate length, fit no more than 3 inches above the middle of the knee and should not be torn in a manner that is immodest.
6. Shoes must be closed-toed and a facilitate the scholar’s ability to safely walk long distances when appropriate.

A+UP will periodically review its dress and grooming policies, and make changes as needed.

While it is inevitable that there will be differences of opinion as to the appropriateness of dress, grooming, and/or determining whether or not a student’s attire is disruptive or distracting to the educational environment of the school, the final determination will be made by the Principal Learning Coach. Any student who does not comply with the dress code will be removed from the regular school setting until the student complies with this code.

Student Fees
Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. Students are expected to provide their own consumable items, such as pencils, paper, pens, erasers, notebooks, calculators, headsets, etc. Students may be required to pay certain fees or deposits. Students are responsible to:

1. Purchase the school backpack.
2. Purchase an A+UP tee-shirt.
3. The cost of any damage due to inappropriate care of a computer.

A+UP may waive any fee or deposit if the student and parent are unable to pay. A request for such a waiver must be made in writing to the Superintendent or designee, and include evidence of inability to pay. Details for the fee waiver are available in Business Office.

Supply lists are posted on the A+UP website.

Textbooks and Curriculum Materials
State-approved textbooks and additional curriculum materials are provided free of charge for each subject or class, except for dual credit courses. Materials must be used by the students as directed by the teacher, and treated with care. A student who is issued damaged materials should report the damage to the teacher.
Students must return all textbooks and supplemental materials to the teacher at the end of the school year or when the student withdraws from school. Any student failing to return issued materials in an acceptable condition loses the right to free textbooks and educational materials until the student and/or parent pay for the damages. However, a student will be provided textbooks and educational materials for use during the school day. A+UP may reduce or waive the payment requirement if the student is from a low-income family. Release of student records, including official transcripts, will be delayed pending payment for lost or severely damaged textbooks.

**Food Service**
A+UP participates in the National School Lunch Program and offers nutritionally balanced breakfasts and lunches. Guidelines set by the Texas Department of Agriculture (“TDA”) and United Stated Department of Agriculture (“USDA”) are followed to meet the nutritional needs of all students. Menus may be obtained on the school website.

Free and reduced-price breakfasts and lunches are available based on financial need. Information about a student’s participation is confidential. See title to apply. Students must apply for meal assistance each school year.

**State-Mandated Nutrition Guidelines**
The TDA places strict limits on any food or drink provided or sold to students other than through A+UP Name’s food and nutrition services. More detailed information may be obtained at the school office or online at [www.squaremeals.org](http://www.squaremeals.org).

**Transportation**
A+UP does not provide regular transportation to and from school, unless required by a student’s Individualized Education Plan (“IEP”) for a student with disabilities. However, A+UP may provide transportation in school vehicles for educational field trips and participation in athletic and other extra-curricular events.

Riding a school vehicle is a privilege. School vehicle drivers have the authority to maintain discipline and require seating charts. When riding a school vehicle, students are held to behavioral standards established in this Handbook and the Student Code of Conduct. Students must:

1. Follow the driver’s directions at all times;
2. Enter and leave the vehicle in an orderly manner;
3. Keep feet, books, instrument cases, and other objects out of the aisle;
4. Not deface the vehicle or its equipment;
5. Not put head, hands, arms, legs, or an object out of any window; and
6. Wait for the driver’s signal in order to leave or cross in front of the vehicle.

Only designated students are allowed to ride in the vehicle. Students may neither ride the vehicle to a different location nor have friends ride the vehicle to participate in after-school activities.

If a student with a disability is receiving school transportation as a result of an IEP, the Admission Review and Dismissal (“ARD”) Committee will have the discretion in determining appropriate disciplinary consequences related to inappropriate behavior in a school vehicle.

**Transcripts**
A+UP maintains an academic achievement record (or transcript) for each student enrolled. Transcripts list complete personal student data, give complete scholastic grades, and report student activities, honors, and
scores on standardized achievement tests. Requests for transcripts should be made to the Business Office. Students are provided with free official transcripts. Official transcripts may be picked up from the campus registrar five business days after the request is submitted except at the end of the semester. GPA and class rank are recalculated at the end of each semester and updated transcripts are not available until the end of the third business week after the end of the semester.

Displaying a Student’s Artwork, Projects, Photos, and Other Original Work
Teachers may display student work in classrooms or elsewhere on campus as recognition of student achievement. However, A+UP will seek parental consent before displaying student artwork, special projects, photographs taken by students, and other original works on the A+UP website, on any campus or classroom website, in printed materials, by video, or by any other method of mass communication. A+UP will also seek consent before displaying or publishing an original video or voice recording in this manner.

Distribution of Materials or Documents

School Materials
Publications prepared by and for A+UP may be posted or distributed with prior approval by the Principal Learning Coach and/or teacher. Such items may include school posters, brochures, murals, etc.

Non-School Materials
Students must obtain express prior approval of the Superintendent or designee before distributing, posting, selling, or circulating written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials on campus.

Non-school literature shall not be distributed by students on A+UP property if:

- The materials are obscene, vulgar, or otherwise inappropriate for the age and maturity of the audience.
- The materials endorse actions endangering the health or safety of students.
- The materials promote illegal use of drugs, alcohol, or other controlled substances.
- The distribution of such materials would violate the intellectual property rights, privacy rights, or other rights of another person.
- The materials contain defamatory statements about public figures or others.
- The materials advocate imminent lawless or disruptive action and are likely to incite or produce such action.
- The materials are hate literature or similar publications that scurrilously attack ethnic, religious, or racial groups or contain content aimed at creating hostility and violence, and the materials would materially and substantially interfere with school activities or the rights of others.
- There is reasonable cause to believe that distribution of the non-school literature would result in material and substantial interference with school activities or the rights of others.

Any student who posts material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without approval will be removed.

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials over which A+UP does not exercise control shall not be sold, circulated, or distributed by persons or groups not associated with A+UP or a school support group on school premises unless the person or group obtains specific prior approval from the Superintendent or designee. To be considered, any non-school material must include the name of the sponsoring organization or individual. The requestor may appeal the Superintendent or designee’s decision in accordance with Board policy.
**Electronic Device Policy**

Electronic and telecommunication devices are a major source of distraction in the classroom. For this reason, electronic devices may only be used for educational purposes at designated times under the guidance and direction of teachers. For safety purposes, A+UP permits students to possess mobile phones while on school property or during school-related activities. However, **mobile phones must remain on silent and may not be taken out and used during instructional time**. Parents must should not call or text their children and expect a response during the school day. Students also are not permitted to possess other electronic devices, such as pagers, radios, CD players, tape recorders, iPods, camcorders, DVD players, cameras, or electronic devices or games at school, unless prior permission has been obtained from the Principal Learning Coach.

Students reaching Level Four of the Level System are permitted to possess an electronic or telecommunications device at school, including a cell phone, all such devices must be turned off during school hours. If an A+UP employee observes a student using any electronic or telecommunication device (including a cell phone) during the school day or a school-related activity, the employee will collect the item and secure the item. The Road to Empowerment procedures governs students access and use of phones. If a student and parent have executed a waiver permitting the student to possess an electronic communication device at school, school officials may power on and search the device if there is a reasonable cause to believe that the device has been used in the transmission or reception of communications prohibited by law, policy, or regulation.

A+UP will not be responsible for damage to or loss or theft of confiscated items.

**Pledges of Allegiance and Moment of Silence**

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the Superintendent or designee to excuse their student from reciting a pledge.

State law requires that one minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that A+UP provide for the observance of one minute of silence at the beginning of the first class period when September 11 falls on a regular school day in remembrance of those who lost their lives on September 11, 2001.

State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows.

**Recitation of the Declaration of Independence**

State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during “Celebrate Freedom Week.” A student will be exempted from this requirement if a parent provides a written statement requesting that the student be excused, A+UP determines that the student has a conscientious objection to the recitation, or the parent is a representative of a foreign government to whom the United States extends diplomatic immunity.

**Prayer and Meditation**

Students have a right to individually, silently, and voluntarily pray or meditate in school in a manner that does not disrupt instructional or other school activities. A+UP will not require, encourage, or coerce a student to engage in or refrain from such prayer or mediation during any school activity.
SECTION 2: STUDENT HEALTH AND SAFETY

Alcohol-Free School Notice
To provide a safe and alcohol-free environment for students and employees, all alcoholic beverages are prohibited on A+UP property at all times, and at all school-sanctioned activities occurring on or off school property. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Tobacco-Free School Notice
All students are prohibited from possessing or using any type of tobacco product, electronic cigarette (e-cigarette), or any form of smokeless tobacco or electronic vaporizing device while in school buildings, vehicles, or on or near school property, or at school-related or school-sanctioned events off school property. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Drug-Free School Notice
A+UP believes that student use of illicit drugs is both wrong and harmful. Consequently, A+UP prohibits the use, sale, possession, or distribution of illicit drugs by students on school premises or any school activity, regardless of its location. A+UP also prohibits the use, sale, possession, or distribution of look-alike substances and/or synthetic substances designed to imitate the look and/or effects of illicit drugs. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Bacterial Meningitis Information
State law requires A+UP to provide the following information:

What is bacterial meningitis?
Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is common and most people recover fully. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

What are the symptoms of bacterial meningitis?
Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms. Children (over 2 years old) and adults with bacterial meningitis commonly have a severe headache, high fever, and neck stiffness. Other symptoms might include nausea, vomiting, discomfort looking into bright lights, confusion, and sleepiness. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body. The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

How serious is Bacterial Meningitis?
If diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases, it can be fatal or a person may be left with a permanent disability.

How is bacterial meningitis spread?
Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. They are spread when people exchange saliva (such as by kissing, coughing, or sneezing). The germ does not cause meningitis in most people. Instead, most people become carriers of
the germ for days, weeks or even months. The bacteria rarely overcome the body’s immune system and causes meningitis or another serious illness.

How can bacterial meningitis be prevented?
Maintaining healthy habits, like getting plenty of rest, can help prevent infection. Using good health practices such as covering your mouth and nose when coughing and sneezing and washing your hands frequently with soap and water can also help stop the spread of the bacteria. It’s a good idea not to share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

There are vaccines available to offer protection from some of the bacteria that can cause bacterial meningitis. The vaccines are safe and effective (85–90 percent). They can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

What should you do if you think you or a friend might have bacterial meningitis?
You should seek prompt medical attention.

Where can you get more information?
Your family doctor and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at the web sites for the Centers for Disease Control and Prevention: www.cdc.gov and the Texas Department of State Health Services: www.dshs.state.tx.us.

Note: The Department of State Health Services requires at least one meningococcal vaccination on or after the student’s 11th birthday, unless the student received the vaccine at age 10. Also note that entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education.

Communicable Diseases
To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of students with a communicable or contagious disease should notify the Principal or designee so that other students who might have been exposed to the disease can be alerted. School authorities will report those students who are suspected of having a reportable condition. A list of reportable conditions can be found on the Texas Department of State Health Services (“TDSHS”) website at: http://www.dshs.state.tx.us/idcu/investigation/conditions/.

Any student excluded from school attendance for reason of communicable disease may be readmitted by one or more of the following methods, as determined by the local health authority:

• Certificate of the attending physician, advanced practice nurse, or physician assistant attesting that the child does not currently have signs or symptoms of a communicable disease or to the disease’s non-infectiousness in a school setting;
• Submitting a permit for readmission issued by a local health authority; or
• Meeting readmission criteria as established by the commissioner of health.

Please contact the school nurse if you have questions or if you are concerned about whether a child should stay home.
**Immunization Requirements**

The State of Texas requires that every child in the state be immunized against vaccine preventable diseases caused by infectious agents in accordance with an established immunization schedule.

To determine the specific number of doses that are required for your student, please read the “2018–2019 Texas Minimum State Vaccine Requirements for Students in Grades K–12” document issued by the TDSHS. Specific immunization information is available on the TDSHS website at [http://www.dshs.texas.gov/immunize/school/](http://www.dshs.texas.gov/immunize/school/).

Proof of immunization may be personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

**Provisional Enrollment**

A student can be enrolled provisionally for no more than 30 days if her or she transfers from one Texas school to another, and is awaiting the transfer or the immunization record.

A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate required vaccine. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A+UP shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If at the end of the 30-day period, a student has not received a subsequent dose of vaccine, then the student is not in compliance and A+UP shall exclude the student from school attendance until the required dose is administered.

A student who is homeless, as defined by the McKinney Act (42 U.S.C. § 11302), shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. A+UP shall promptly refer the student to appropriate public health programs to obtain the required vaccinations.

**Exclusions from Immunization Requirements**

Exclusions from immunization requirements are allowable on an individual basis for medical reasons, reasons of conscience (including a religious belief), and active duty with the armed forces of the United States.

To claim exclusion for medical reasons, the student must present a statement signed by the student’s physician (M.D. or D.O.), duly registered and licensed to practice medicine in the United States who has examined the student, in which it is stated that, in the physician’s opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the student or any member of the student’s household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

To claim an exclusion for reasons of conscience, including a religious belief, a signed Texas Department of State Health Services (“TDSHS”) affidavit must be presented by the student’s parent, stating that the student’s parent declines vaccinations for reasons of conscience, including because of the person’s religious beliefs. The affidavit will be valid for a period of two years. The form affidavit may be obtained by writing the TDSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347, or online at [https://corequest.dshs.texas.gov/](https://corequest.dshs.texas.gov/). The form must be submitted to the Superintendent within 90 days from the date it is notarized. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student. Students, who have not received the required
immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

To claim exclusion for armed forces, the student must prove that he or she is serving on active duty with the armed forces of the United States.

If a parent seeks an exemption for more than one student, a separate form must be provided for each student.

**Immunization Records Reporting**
The school’s record of a student’s immunization history, while private in most instances, may be inspected by the Texas Education Agency, local health departments, and TDSHS and transferred to other schools associated with the transfer of the student to those schools.

**Emergency Medical Treatment**
If a student has a medical emergency at school or a school-related activity and the parent cannot be reached, A+UP staff will seek emergency medical treatment unless the parent has previously provided a written statement denying this authorization. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the campus registrar to update any information.

**Student Illness**
When your child is ill, please contact Principal Learning Coach to let us know he or she will not be attending that day. If the school determines that a child is ill and should go home, the school will contact the parent.

**Head Lice**
Head lice (which are not an illness or disease) are common among children, and may spread easily through contact during play or when students share items such as headphones, brushes, combs hats, or other items that come in contact with hair. If A+UP observes that a student may have head lice, an appropriate administrator will contact the student’s parent to determine whether the student needs to be sent home and to discuss a plan for treatment with an FDA-approved medicated shampoo or cream rinse. When a elementary student has head lice, A+UP will also provide written notice to the student’s parent and the parents of each child assigned to the same classroom as required by state law.

**Administration of Medication**
Medication should be administered at home whenever possible. If necessary, medication can be administered at school by the school nurse under the following circumstances:

1. Nonprescription medication brought to school must be submitted to A+UP by a parent along with a written request. The medication must also be in the original and properly labeled container.
2. Prescription medications administered during school hours must be prescribed by a physician or advanced nurse practitioner (“ANP”) and filled by a pharmacist licensed in the State of Texas. In accordance with the Texas Board of Nursing’s Nurse Practice Act, School Name will not administer medications prescribed or fulfilled in Mexico.
3. Prescription medications must be submitted in a labeled container showing the student’s name, name of the medication, reason the medication is being given, proper dosage amounts, the time the medication must be taken, and the method used to administer the medication. Medications sent in plastic baggies or unlabeled containers will NOT be administered.
4. If the substance is herbal or a dietary supplement, it must be provided by the parent and will be administered only if required by the students Individualized Education Program (“IEP”) or Section 504 plan for a student with disabilities.

5. Only the amount of medication needed should be delivered to A+UP, i.e., enough medication to last one day, one week, etc. In cases of prolonged need, send in the amount for a clearly specified period. Extra medication will not be sent home with the student.

6. In certain emergency situations, A+UP may administer a nonprescription medication to a student, but only in accordance with the guidelines developed by the school’s medical advisor and when the parent has previously provided written consent for emergency treatment.

Changes to daily medications require written instruction from the physician or ANP and written permission from the parent. Parents are responsible for advising A+UP that a medication has been discontinued.

**Asthma and Anaphylaxis Medication**

Asthma and anaphylaxis are life-threatening conditions, and students with those conditions are entitled to possess and self-administer prescription medication while on A+UP property or at school-related events.

Student possession and self-administration of asthma or anaphylaxis medication at school requires the student to demonstrate his or her ability to self-administer the medication to the student’s physician or other licensed health care provider and the school nurse, if available. Requirements also include written authorization from the student’s parent and physician or other licensed health care provider on file in the school office indicating the student is capable of independently administering his or her own asthma or emergency anaphylaxis medication. Medication in a student’s possession must be in an original container with a prescription label. Please note that most pharmacies will place a label on the inhaler devise upon request.

**Dyslexia and Related Disorders**

From time to time, students may be tested and, where appropriate, treated for dyslexia and related disorders in accordance with programs, rules and standard approved by the State of Texas. The program approved by the state must include screening at the end of the school year of each student in kindergarten and each student in the first grade. Parents will be notified should A+UP determine a need to identify or assess their student for dyslexia and related disorders.

**Fitness Testing**

According to requirements under state law, A+UP will annually assess the physical fitness of students. A+UP is not required to assess a student for whom, as a result of disability or other condition identified by rule or law, the assessment exam is inappropriate.

**Freedom from Discrimination, Harassment, and Retaliation**

**Statement of Nondiscrimination**

A+UP prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex or gender, national origin, disability, age, or any other basis prohibited by law. A+UP also prohibits dating violence, as defined by this Handbook. Retaliation against anyone involved in the complaint process is a violation of school policy.

**Discrimination**

For purposes of this Handbook, discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law and that adversely affects the student.
Prohibited Harassment
Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

- Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes; name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment
In compliance with the requirements of Title IX, A+UP does not discriminate on the basis of sex in its educational programs or activities. Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

- Affects the student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

A+UP also does not tolerate sexual harassment of a student by school employees. Romantic or inappropriate social relationships between students and school employees are prohibited. Any sexual relationship between a student and a school employee is always prohibited, even if consensual.

Sexual harassment of a student by a school employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

- A school employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
- The conduct is so severe, persistent, or pervasive that it:
  - Affects the student’s ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student’s educational opportunities; or
  - Creates an intimidating, threatening, hostile, or abusive educational environment.
Gender-based harassment includes harassment based on a student’s gender, expression by the student of stereotypical characteristics associated with the student’s gender, or the student’s failure to conform to stereotypical behavior related to gender.

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Dating Violence**

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner. Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student’s family members or members of the student’s household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engaged in these behaviors.

For purposes of this Handbook, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

- Affects the student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

**Retaliation**

A+UP prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation. Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a school investigation regarding discrimination or harassment is subject to appropriate discipline.

**Reporting Procedures**

Any student who believes that he or she has experienced prohibited harassment or believes that another student has experienced prohibited harassment should immediately report the alleged acts to a teacher or the Principal Learning Coach or designee, or other school employee. Alternatively, a student may report prohibited harassment directly to the appropriate Compliance Coordinator identified in this Handbook.

A student shall not be required to report prohibited harassment to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX Coordinator, the ADA/Section 504 Coordinator, and/or the Age Discrimination Coordinator may be directed to the PAUL CASTRO, 2410 Hamilton St. Houston, TX 77004, 713-204-3837. If a report is made directly to person designated immediately before, A+UP shall appoint an appropriate person to conduct an investigation.
Investigation of Complaints
After receiving a complaint of prohibited discrimination or harassment, A+UP may, but need not, require the student to prepare a written report. Oral complaints will be reduced to written form. Upon receipt of a complaint, the appropriate Compliance Coordinator or other authorized school official shall promptly authorize and undertake an investigation. Following completion of the investigation, the Compliance Coordinator or other authorized school official will prepare a written decision regarding the complaint, including a determination of whether prohibited discrimination or harassment occurred.

When appropriate, A+UP may take interim action to avoid additional opportunities for discrimination or harassment. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and any others with knowledge of the circumstances surrounding the allegations. If the results of the investigation establish that prohibited discrimination or harassment occurred, A+UP shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the discrimination or harassment and prevent its recurrence. A+UP may take disciplinary action based on the results of an investigation, even if A+UP concludes that the conduct did not rise to the level of harassment prohibited by law or policy.

Confidentiality
To the greatest extent possible, A+UP shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal
A student or parent who is dissatisfied with the outcome of the investigation may appeal through the A+UP grievance procedure. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

Freedom from Bullying and Cyberbullying
A+UP prohibits bullying as defined by this section, as well as retaliation against anyone involved in the complaint process. Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable harm to the student’s person or of damage to the student’s property;
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student; or
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or the School; or
- Infringes on the rights of the victim at school.

Bullying also includes cyberbullying, which means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The school’s bullying policy applies to:
• Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
• Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
• Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
  o Interferes with a student’s educational opportunities; or
  o Substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

**Reporting Procedures**

Any student who believes that he or she has experienced any form of bullying or believes that another student has experienced bullying should immediately report the alleged acts to the Principal or designee, a teacher, counselor, or other school employee. A report may be made orally or in writing, and may be submitted anonymously. Any school employee who receives notice that a student has or may have experienced bullying shall immediately notify the Principal or designee. The Principal Learning Coach or designee will notify the victim, the student who engaged in bullying, and any student witnesses of available counseling options.

The Principal or designee shall provide notice of an incident of alleged bullying to:

• A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
• A parent or guardian of the alleged bully within a reasonable amount of time after the incident.

**Investigation of Report**

The Principal Learning Coach or designee shall determine whether the allegations in the report, if proven, would constitute prohibited harassment and, if so, proceed under that policy instead. The Principal or designee shall conduct an appropriate investigation based on the allegations in the report, and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.

The Principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred to be submitted to the Superintendent. If the results of an investigation indicate that bullying occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct. A+UP may take action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of bullying under this policy.

Discipline for bullying of a student with disabilities shall comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.). A+UP may not impose discipline on a student who, after an investigation, is found to be a victim of bullying, based on that student’s use of reasonable self-defense in response to the bullying.

The Superintendent, may make a report to the police department of the municipality in which the school is located or, if the school is not in a municipality, the sheriff of the county in which the school is located if, after an investigation is completed, the Superintendent has reasonable grounds to believe that a student engaged in conduct that constitutes an offense under Section 22.01 (Assault) or 42.07(a)(7) (Harassment), Texas Penal Code.
Confidentiality
To the greatest extent possible, A+UP shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary to conduct a thorough investigation.

Appeal
A student or parent who is dissatisfied with the outcome of the investigation may appeal through the A+UP grievance procedure.

Law Enforcement Agencies
Questioning of Students
When law enforcement officers or other lawful authorities wish to question or interview a student at school, the Principal Learning Coach or designee will cooperate fully regarding the conditions of the interview if the questioning or interview is part of a child abuse investigation. In other circumstances:

1. The Principal Learning Coach or designee shall verify and record the identity of the official and request an explanation of the need to question or interview the student at school.
2. The Principal Learning Coach or designee ordinarily will make reasonable efforts to notify the student’s parent, unless the interviewer raises what the Principal Learning Coach or designee considers to be a valid objection.
3. The Principal Learning Coach or designee ordinarily will be present during the questioning or interview, unless the interviewer raises what the Principal Learning Coach or designee considers to be a valid objection.

When the investigation involves allegations of child abuse, special rules apply.

Students Taken into Custody
State law requires A+UP to permit a student to be taken into legal custody:

1. By a law enforcement officer if there is probable cause to believe the student has engaged in conduct that violates a penal law, delinquent conduct or conduct in need of supervision, or conduct that violates a condition of probation imposed by the juvenile court.
2. By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court. Pursuant to a properly issued directive to apprehend.
3. By an authorized representative of Child Protective Services (CPS), Texas Department of Family and Protective Services (FPS), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in Texas Family Code § 262.104 relating to the student’s physical health or safety.
4. Pursuant to a properly issued directive to apprehend.
5. Pursuant to an order of the juvenile court.
7. To comply with a properly issued directive from a juvenile court to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the Principal or designee will verify the officer’s identity and, to the best of his or her ability, verify the official’s authority to take custody of the student.

The Principal or designee will immediately notify the Superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the Principal or designee considers to be a valid objection to notifying the parents. Because the Principal or designee does not have the authority
to prevent or delay a student’s release to a law enforcement officer, any notification will most likely be
after the fact.

**Child Abuse Reporting and Programs**
A+UP provides child abuse anti-victimization programs and cooperates with official child abuse
investigators as required by law. A+UP also provides training to its teachers and students in preventing
and addressing incidents of sexual abuse and other maltreatment of children, including knowledge of
likely warning signs indicating that a child may be a victim of sexual abuse or maltreatment. Assistance,
terventions and counseling options are also available.

The school’s administration shall cooperate with law enforcement investigations of child abuse, including
investigations by the Texas Department of Protective and Family Services. School officials may not
refuse to permit an investigator to interview a student who is alleged to be a victim of abuse or neglect at
school. School officials may not require the investigator to permit school personnel to be present during
an interview conducted at school.

Investigations at school may be conducted by authorized law enforcement or state agencies without prior
notification or consent of the student’s parent, if necessary.

**Plan for Addressing Sexual Abuse and Other Maltreatment of Children**
**What is Sexual Abuse of a Child?**
The Texas Family Code defines “sexual abuse” as any sexual conduct harmful to a child’s mental,
emotional, or physical welfare as well as, in certain circumstances, failure to make a reasonable effort to
prevent sexual conduct harmful to a child.

**What is Other Maltreatment of a Child?**
Under State law, “other maltreatment” of a child includes “abuse” or “neglect,” as defined by Texas
Family Code sections 261.001 and 261.401.

**Reporting Obligation**
Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under
state law, for reporting the suspected abuse or neglect to law enforcement or to the Texas Department of
Family and Protective Services (“DFPS”). Reports may be made by contacting one of the following:

- Texas Abuse Hotline: 1-800-252-5400 or, in non-emergency situations only:
  [http://www.txabusehotline.org](http://www.txabusehotline.org);
- Your local police department; or
- Call 911 for emergency situations.

A+UP has established a plan for addressing child sexual abuse and other maltreatment of children (the
“Plan”). The Plan is addressed in this section of the Handbook.

**Methods for Increasing Awareness Regarding Sexual Abuse or Other Maltreatment**
**For Staff:** A+UP trains staff in all content areas addressed in the Plan. Training is provided by campus
staff, administrative staff, or outside agencies as determined by the campus administration.

**For Students:** School counseling staff will address issues to increase awareness regarding sexual abuse
and other maltreatment of children and anti-victimization programs with age appropriate conversation and
materials no less than once per school year. These discussions will occur in classroom group settings.
For Parents: Parents must be aware of warning signs indicating that their child may have been or is being sexually abused or otherwise maltreated. A child who has experienced sexual abuse or other maltreatment should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that evidence of sexual abuse or other maltreatment may be more indirect than disclosures or signs of physical abuse. It is important to remain calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing in coming to you.

The fact that the abuser is a parent or other family member does not remove your obligation to protect the child. Parents who permit their child to remain in a situation where he or she may be injured or abused may also be subject to prosecution for child abuse. And, if you are frightened for your own safety or that of your child, you should call 911 or 1-800-252-5400.

Also remember that parents are legally responsible for the care of their children and must provide their children with safe and adequate food, clothing, shelter, protection, medical care and supervision, or arrange for someone else to provide these things. Failure to do so may be considered neglect.

The Principal or designee will provide information regarding counseling options available in your area for you and your child if your child is a victim of sexual abuse or other maltreatment. The DFPS also provides early abuse intervention through counseling programs. Services available in your county can be accessed at the following web address:

**Likely Warning Signs of Sexual Abuse or Other Maltreatment**

Psychological and behavioral signs of possible sexual abuse or other maltreatment may include:

- Nightmares, sleep problems, extreme fears without an obvious explanation.
- Sudden or unexplained personality changes; becoming withdrawn, angry, moody, clingy, “checking out” or showing significant changes in eating habits.
- Depression or irritability.
- An older child behaving like a young child, for example, bed-wetting or thumb sucking.
- Developing fear of certain places or resisting being alone with an adult or young person for unknown reasons.
- Resistance to routine bathing, toiling, or removing clothes, even in appropriate situations.
- Play, writing, drawings, or dreams of sexual or frightening images.
- Refusal to talk about a secret he or she has with an adult or older child.
- Leaving clues that seem likely to provoke a discussion about sexual issues.
- Using new or adult words for body parts.
- Engaging in adult-like sexual activities with toys, objects or other children.
- Developing special relationships with older friends that may include unexplained money, gifts, or privileges.
- Intentionally harming him or herself, for example, drug/alcohol use, cutting, burring, running away, and sexual promiscuity.
- Thinking of self or body as repulsive, dirty, or bad.
- Becoming increasingly secretive about Internet or telephone use.

Physical symptoms of possible sexual abuse or other maltreatment include:

- Stomachaches or illness, often with no identifiable reason.
- Difficulty in walking or sitting.
- Stained or bloody underwear.
- Genital or rectal pain, itching, swelling, redness, or discharge.
- Bruises or other injuries in the genital or rectal area.
- Unexplained soreness, pain or bruises around mouth, sexually transmitted disease, or pregnancy.

Any one sign does not necessarily mean that a child has been sexually abused or maltreated, but the presence of several signs is the time you should begin asking questions and seeking help. Often signs first emerge at other times of stress, such as during a divorce, death of a family member or pet, problems at school or with friends, or other traumatic or anxiety-inducing events.

**Actions That a Child Who Is a Victim of Sexual Abuse or Other Maltreatment Should Take**

During student awareness sessions concerning sexual abuse and other maltreatment issues, students will be encouraged to tell a trusted adult in a private and confidential conversation if they have been a victim of sexual abuse or other maltreatment or have been in situations that make them feel uncomfortable in any way. School employees are trained to take appropriate actions to help the child obtain assistance and to follow proper reporting procedures. Older students will also be provided with local crisis hotline numbers to obtain assistance.
Available Counseling Options
A list of counseling providers can be found at:
http://www.dfps.state.tx.us/Prevention_and_Early_Intervention/Programs_Available_In_Your_County/default.asp.

Interrogations and Searches
In the interest of promoting student safety and attempting to ensure that A+UP is safe and drug free, school officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Administrators, teachers and other professional personnel may question a student regarding the student’s own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

Students shall be free from unreasonable searches and seizures by school officials. School officials may search a student’s outer clothing, pockets, or property by establishing reasonable cause or securing the student’s voluntary consent.

A search is reasonable if (1) the school official has reasonable grounds for suspecting that the search will uncover evidence of a rule violation or a criminal violation and (2) the scope of the search is reasonably related to the circumstances justifying the search, such as the extent of the search, the objectives of the search, the age and sex of the student, and the nature of the infraction.

Desk and Locker Searches
Students should have no expectation of privacy in the contents of their lockers, desks or other school property. Lockers and desks assigned to students remain at all times under the control and jurisdiction of A+UP. A+UP will make periodic inspections of lockers and desks at any time, with or without notice or student consent. School officials will remove any item that violates school policy or that may potentially be dangerous.

Random Drug Searches
In order to ensure a drug-free learning environment, A+UP conducts random drug searches of all school facilities. A+UP may use or contract for specially trained nonaggressive dogs to sniff out and alert school officials to the current presence of concealed prohibited or illegal items, including drugs and alcohol. Canine visits may be unannounced. The dogs shall be used to search vacant classrooms, vacant common areas, the areas around student lockers, and the areas where vehicles are parked on A+UP property or at school-related events. The dogs shall not be asked to alert on students. A dog alert to a locker, vehicle, or item in a classroom, constitutes reasonable grounds for a search by school officials.

Visitor and Volunteer Policy
A+UP encourages parents and family members to regularly visit the school and become involved in student activities. The impact that positive parental involvement has on the learning and development of students is immeasurable. With that in mind, the following policies must be adhered to so that a safe, secure, and productive learning environment can be ensured for all.

- Visitors MUST sign in with the school leader whenever they are on campus. Visitors are not permitted to make unscheduled or drop-in visits to classrooms.
- When visiting campus to meet with teaching staff, visitors must have a pre-arranged time set up with the teacher(s) in question except for urgent matters. Times are best arranged via email. An email directory is located on our website. With few exceptions, conferences are scheduled during
teacher/team planning time, and/or immediately before or after school. Under no circumstances can a teacher be interrupted while providing instruction before, during, or after the school day to meet with a parent.

- Visitors to campus must be the parent, guardians, or other adult family members with permission of the parent/guardian. Students’ friends, younger siblings, and other non-related individuals cannot visit the campus during school hours.
- Volunteers MUST go through a background check conducted by our district office. Once the check is cleared, volunteers are notified and may begin helping on campus. Until this clearance is obtained, they are not to be involved in any educational or extra-curricular activities.

Any visitor identified as a sex offender shall be escorted by school personnel at all times during a school visit and shall have access only to common areas of the campus.

**Disruptions**
To protect student safety and sustain an educational program free from disruption, state law permits A+UP to act against any person – student or nonstudent – who:

- Disrupts classes while on school property or on public property that is within 500 feet of school property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; entering a classroom without authorization; and disrupting the activity with profane language or any misconduct.
- Interferes with an authorized activity by seizing control of all or part of a building.
- Interferes with the movement of people at an exit or an entrance to school property.
- Interferes with the movement of people in an exit, an entrance, or a hallway of a school building without authorization from an administrator.
- Interferes with the transportation of students in school vehicles.
- Uses force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Uses force, violence, or threats in an attempt to prevent people from entering or leaving school property without authorization from an administrator.
- Uses force, violence, or threats to cause disruption during an assembly.

**Emergency Closings**
Generally, A+UP dismisses classes for weather-related events on the same days as surrounding local independent school districts. Any closures for weather will be broadcast on local television and/or radio stations. A+UP may also need to close during certain emergency situations beyond the control of school officials. The announcement of non-weather related school closings will be broadcast on local television and/or radio stations as early as possible. Any emergency closures will also be posted on the A+UP website.

**Drills: Fire, Tornado, and Other Emergencies**
Students, teachers, and other staff will participate in drills of emergency procedures. When the alarm is sounded, students should follow the direction of school staff quickly, quietly, and in an orderly manner. Order rather than speed shall be stressed. Defined instructions for vacating each room will be posted in each room, and students should familiarize themselves with these instructions.

**Videotaping of Students**
For safety purposes, including the maintenance of order and discipline, surveillance cameras may be used to monitor student behavior in classrooms, on school vehicles, and in school common areas. Video recordings may be reviewed routinely to document student misconduct and used by A+UP staff when
investigating an incident. Tapes and other video recordings will be available for viewing pursuant to the Family Educational Rights and Privacy Act (“FERPA”).

SECTION 3: ACADEMICS AND GRADING

Academic Programs
The Principal Learning Coach will provide students and parents with information regarding academic programs to prepare for higher education and career choices.

A student removed from the regular classroom to in-school suspension or another setting will have an opportunity to complete his or her daily work just as if they were in the regular learning center.

Students and parents are encouraged to discuss options for ensuring that students complete all work required with a teacher or the Principal.

Required Curriculum
A+UP offers instruction in the TEKS at the appropriate grade levels through an on-line learning management system and small group instruction.

Academic Integrity
All students are expected to be honest and to display a high standard of integrity in the preparation and presentation of work for credit in classes. A student’s attempt to present the work of another as his or her own will be viewed as a serious offense, and the student may be subject to a grading penalty and/or discipline in accordance with the Student Code of Conduct.

Computer Resources
To prepare students for an increasingly computerized society, A+UP has made a substantial investment in computer technology for instructional purposes. Use of these resources is restricted to students working under a teacher’s supervision and for approved purposes only. Students and parents must read and agree to abide by the Student Acceptable Use Policy found in this Handbook.

Counseling

Personal Counseling
The Principal Learning Coach is available to assist students with a wide range of personal concerns, including social, family, or emotional issues, and substance abuse. The Principal Learning Coach may also provide information about community resources to address these concerns.

Please note: A+UP will not conduct a psychological examination, test, or treatment without first obtaining the parent’s written consent, unless required by state or federal law for special education purposes or by the Texas Education Agency for child abuse investigations and reports.

Extracurricular Activities, Clubs, and Organizations
Participation in school-related activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students. Participation, however, is a privilege and not a right. Eligibility for participation in many school-related activities is governed by state law and rules of the University Interscholastic League (“UIL”), a statewide association overseeing
interscholastic competition between public schools. Additional information regarding extracurricular activities, clubs, and organizations may be obtained from the Principal.

Participation in these activities may result in events that occur off-campus. When A+UP arranges transportation for these events, students are required to use the transportation provide by A+UP to and from the event. Exceptions may only be made with approval from the activity’s coach or sponsor.

Please note: Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior – including consequences for misbehavior – that are stricter than those for students in general. If a violation of organization rules is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization.

Students with Disabilities: Upon the recommendation of the admission, review, and dismissal (“ARD”) committee, a student with a disability who receives special education services may be permitted to graduate under the provisions of his or her individualized education program (“IEP”) and in accordance with state rules.

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

ARD committees for students with disabilities who receive special education services will make instructional and assessment decisions for these students in accordance with state law and rules. To earn an endorsement under the foundation program, a student must perform satisfactorily on the EOC assessments and receive no modified curriculum in the student’s chosen endorsement area. A student may still be awarded an endorsement when the student fails to perform satisfactorily on no more than two EOC assessments but meets the other requirements for graduation under state law.

Standardized Testing
STAAR (State of Texas Assessments of Academic Readiness)
In addition to routine tests and other measures of achievement, students in grades 3–8 will take the state assessment, the STAAR exam, in the following subjects:

- Reading, annually in grades 3–8.
- Writing, including spelling and grammar, in grades 4 and 7.
- Science in grades 5 and 8.
- Social Studies in grade 8.

Successful performance on the reading and math assessments in grades 5 and 8 is required by law, unless the student is enrolled in a reading or math course intended for students above the student’s current grade level, in order for the student to be promoted to the next grade level. Exceptions may apply for students enrolled in a special education program if the ARD Committee concludes the student has made sufficient progress in the student’s individualized education plan (“IEP”).

STAAR Alternate 2 is available for eligible students receiving special education services and who meet certain state-established criteria, as determined by the student’s ARD committee.
STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

Satisfactory performance on the applicable assessments will be required for graduation, except in circumstances where a student may be eligible to graduate in accordance with a plan approved by an Individual Graduation Committee or as otherwise allowed by applicable law.

There are three testing windows during the school year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. If a student does not meet satisfactory performance, the student will have additional opportunities to retake the assessment.

STAAR Alternate 2 is available for eligible students receiving special education services and who meet certain state-established criteria, as determined by the student’s ARD committee. The student’s ARD committee will determine whether successful performance on the EOC assessments will be required for a student receiving special education services to graduate, in accordance with parameters set in state regulations.

Texas English Language Proficiency Assessment System (“TELPAS”)
The Texas English Language Proficiency Assessment System (“TELPAS”) is a system of statewide assessments administered to all Limited English Proficient (“LEP”) students in grades K–12. The TELPAS measures English ability based on the stages of language development of second language learners. These results will further the understanding of the educational needs of LEP students by providing a state-level measure of both their current academic English levels and their annual progress in English.

**Promotion and Retention**
A student may be promoted on the basis of academic achievement and/or demonstrated proficiency in the subject matter of the course or grade level. To earn credit in a course, a student must demonstrate mastery on grade level standards and meet A+UP requirements for attendance.

In addition, at certain grade levels a student – with limited exceptions – will be required to pass the State of Texas Assessments of Academic Readiness (“STAAR”), if the student is enrolled in a public Texas school on any day between January 1 and the date of the first administration of the STAAR.

- In order to be promoted to grade 6, students enrolled in grade 5 must perform satisfactorily on the Mathematics and Reading sections of the grade 5 grade assessment exam in English or Spanish.
- In order to be promoted to grade 9, students enrolled in grade 8 must perform satisfactorily on the Mathematics and Reading sections of the grade 8 assessment exam in English.

If a student in grades 3–8 is enrolled in a course that earns high school credit and for which an end-of-course (“EOC”) assessment will be administered, the student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessments. However, for federal accountability purposes, the student may be required to take both the grade level and EOC assessment.

If a student in grade 8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law.
Parents of students who do not perform satisfactorily on their STAAR or EOC assessments will be notified that their child will participate in an Accelerated Instructional Program designed to improve performance. A student in grade 5 or 8 will have two additional opportunities to take a failed assessment. If a student fails a second time, a grade placement committee, consisting of the Principal or designee, the student’s teacher, and the student’s parent will determine the additional special instruction the student will receive.

Students will also have multiple opportunities to retake EOC assessments.

If a student fails after a third attempt, the student will be retained at his or her current grade level. The parent, however, may appeal this decision to the Committee. A decision to promote a student to the next grade level must be unanimous. Regardless of whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year.

In addition to the requirements listed above for students in grades 5 and 8, a student may be considered for retention if they have met any of the following criteria:

1. failed one or more core subject areas;
2. failed one or more state assessments
3. is below level in one or more core subject areas;
4. missed more than 10% of instructional days in an academic year. The decision must be made by a committee, which is comprised of the child’s core subject area teachers, the counselor, and the Principal.

**Report Cards**

Report cards with each student’s grades or performance and absences in each class or subject are issued to parents at least once every nine weeks. During the third week of a six-week grading period, parents will be given a written progress report if their child’s performance in English language arts, mathematics, science, or social studies is near or below 70%, or is below the expected level of performance. The report card or progress report will state whether tutorials are required for a student who receives a grade lower than 70% in a class or subject. Report cards and progress reports must be signed by the parent and returned to the school within seven days.

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the parent or student may request a conference with the Principal Learning Coach. State law provides that a test or course grade issued by a teacher cannot be changed unless the Board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the school’s grading policy.

**Special Programs**

**Students Who Speak a Primary Language Other than English**

A student whose primary language is not English may be eligible to receive specialized support if the student has difficulty performing regular class work in English. A Language Proficiency Assessment Committee (“LPAC”) will determine if this specialized support is needed and, if so, the accommodations or modifications the student will receive for classroom instruction, local assessments, and state-required testing, as appropriate.
Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services
For those students who are having difficulty in the regular classroom, all school districts and open enrollment charter schools must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (“RtI”). The implementation of RtI has the potential to have a positive impact on the ability of districts and charter schools to meet the needs of all struggling students.

If a student is experiencing learning difficulties, his or her parent may contact the individual(s) listed below to learn about the school’s overall general education referral or screening system for support services. This system links students to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine if the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

Special Education Referrals
If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee of the school district or open enrollment charter school, the district or charter school must respond no later than 15 school days after receiving the request. At that time, the district or charter school must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the Notice of Procedural Safeguards. If the school district or charter school agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts and charter schools must still comply with all federal prior written notice and procedural safeguard requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district or charter school to respond within the 15-school-day timeline.

If the district or charter school decides to evaluate the student, it must complete the student’s initial evaluation and evaluation report no later than 45 school days from the day it receives a parent’s written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If a district or charter school receives a parent’s consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completing the evaluation, the district or charter school must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district or charter school in a companion document titled Parent’s Guide to the Admission, Review, and Dismissal Process.

Section 504 Referrals
Each school district or charter school must have standards and procedures in place for the evaluation and placement of students in the district’s or charter school’s Section 504 program. Districts and charter schools must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

SECTION 4: STUDENT CODE OF CONDUCT

Purpose of the Student Code of Conduct
To function properly, education must provide an equal learning opportunity for all students by recognizing, valuing, and addressing the individual needs of every student. In addition to the regular curriculum, principles and practices of good citizenship must also be taught and modeled by school staff. To foster an orderly and distraction-free environment, A+UP has established this Student Code of Conduct (“the Code”) in accordance with state law and the A+UP open-enrollment charter. The Code has been adopted by the Board of Directors, and provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each campus and/or will be available for review at the campus office. Parents will be notified of any violation that may result in a student being suspended or expelled from A+UP. Students must be familiar with the standards set forth in the Student Code of Conduct, as well as campus and classroom rules.

The Code does not define all types and aspects of student behavior, as A+UP may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given
to the student and may or may not constitute violations of the Code. When students participate in student activities, they will also be expected to follow the guidelines and constitutions that further specify the organization’s expectations, student behavior and consequences.

**Authority and Jurisdiction**
A+UP has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on A+UP transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is attending any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. For any expulsion offense committed while on A+UP property or while attending a school-sponsored or school-related activity of A+UP or another school in Texas;
6. For any expulsion offense committed away from A+UP property and not at a school-sponsored or school-related event, if the misconduct creates a substantial disruption to the educational environment;
7. While the student is in transit to or from school or to or from school-related activities or events;
8. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
9. When the student commits a felony, including those provided by Texas Education Code §§ 37.006 or 37.0081, regardless of time or location; and
10. When criminal mischief is committed on or off A+UP property or at a school-related event.

**Reporting Crimes**
In addition to disciplinary consequences, misdemeanor and felony offenses committed on campus or while attending school-sponsored or school-related activities will be reported to an appropriate law enforcement agency.

**Standards for Student Conduct**
Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet A+UP’s standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other A+UP staff and volunteers.
- Respect the property of others, including A+UP property and facilities.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.
- Adhere to the requirements of the Student Code of Conduct.

**Discipline Management Techniques**
Disciplinary techniques are designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques. Discipline will be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of
misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, unless otherwise specified by law, may bring into consideration varying techniques and responses.

**Techniques**
The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Assignment of school duties such as cleaning or picking up litter.
- Behavioral contracts.
- Cooling-off time or “time-out.”
- Counseling by teachers, counselors, or administrative personnel.
- Rewards for positive behavior.
- Demerits.
- Detention.
- Expulsion from A+UP, as specified in the expulsion section of the Code.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- In-school suspension, as specified in the suspension section of the Code.
- Out-of-school suspension, as specified in the suspension section of the Code.
- Parent-teacher conferences.
- Penalties identified in individual student organizations’ extracurricular standards of behavior.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by A+UP.
- School-assessed and school-administered probation (final warning contracts).
- Seating changes within the classroom.
- Sending the student to the office or other assigned area.
- Techniques or penalties identified in individual student organizations’ extracurricular standards of behavior.
- Temporary confiscation of items that disrupt the educational process.
- Verbal correction, oral or written.
- Withdrawal of privileges, such as participation in extracurricular activities, field trips, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Withdrawal or restriction of bus privileges.
- Other strategies and consequences as determined by school officials.

Student Code of Conduct Consequences

Detention
Detention may be held on each day during school for up to eight hours. Students who serve detention must make arrangements to be picked up from school. Parents may request in person a delay of the detention; no phone calls or notes will be accepted.

After School Detention
The following rules apply to students assigned to after school detention:

1. Students will bring materials to work on. Classroom materials may also be sent by a teacher.
2. Students will not be permitted to go to their lockers during detention; all materials must be brought to the detention room when reporting.
3. Sleeping is not permitted.
4. Students will follow all rules concerning classroom behavior. Failure to comply will mean suspension from school.
5. Any student assigned to detention must stay the entire time. Students refusing to complete their time will be suspended from school.

Suspension
A+UP utilizes two kinds of suspension: in school suspension and out of school suspension.

The Principal Learning Coach will give notice of suspension and the reasons for the suspension to the student. In deciding whether to order out-of-school suspension, the administrator may take into consideration factors including self-defense, prior discipline history, intent or lack of intent and other appropriate or mitigating factors determined by the administrator.

Removal from School Transportation
A student being transported by A+UP transportation to or from school or a school-sponsored or school-related activity may be removed from a school vehicle for conduct violating the school’s established standards for conduct in a school vehicle.
Conferences, Hearings, and Appeals
All students are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by applicable state and federal law, and A+UP policy.

Process for Suspensions Lasting Up to Three Days
In addition to the above list of Code of Conduct violations, the Principal Learning Coach has authority to suspend a student for a period of up to five school days for any of the following additional reasons:

1. The need to further investigate an incident,
2. A recommendation to expel the student, or
3. An emergency constituting endangerment to health or safety.

Prerequisites to Suspension
Prior to suspending a student for up to three days, the Principal or designee must attempt to hold an informal conference with the student to:

1. Notify the student of the accusations against him/her,
2. Allow the student to relate his or her version of the incident, and
3. Determine whether the student’s conduct warrants suspension.

Notification to Parents/Guardians
If the Principal Learning Coach or designee determines the student’s conduct warrants suspension during the school day for up to three days, the Principal Learning Coach or designee will make reasonable effort to notify the student’s parent(s) that the student has been suspended before the student is sent home. The Principal Learning Coach or designee will notify a suspended student’s parent(s) of the period of suspension, the grounds for the suspension, and the time and place for an opportunity to confer with the Principal.

Credit During Suspension
A student shall receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of school days the student was absent on suspension.

Process for Out-of-School Suspensions Over Five Days (extended suspension) and Expulsion
Notice
When the Superintendent or designee determine that a student’s conduct warrants suspension for more than five days (extended suspension) or expulsion, but prior to taking any such action, the Principal or designee will provide the student’s parent(s) with written notice of:

1. The reasons for the proposed disciplinary action; and
2. The date and location for a hearing before the Supervision, within five school days from the date of the disciplinary action.

The notice shall further state that, at the hearing, the student:

1. May be present;
2. Shall have an opportunity to present evidence;
3. Shall be apprised and informed of A+UP’s evidence;
4. May be accompanied by his or her parent(s); and
5. May be represented by an attorney.

**Hearing Before the Principal Learning Coach/Superintendent**
A+UP shall make a good faith effort to inform the student and the student’s parent(s) of the time and place for the hearing, and A+UP shall hold the hearing regardless of whether the student, the student’s parent(s) or another adult representing the student attends. The Principal Learning Coach/Superintendent may audio record the hearing.

Immediately following the hearing, the Principal Learning Coach/Superintendent will notify the student and the student’s parent(s) in writing of his or her decision. The decision shall specify:

1. The length of the extended suspension or expulsion, if any;
2. When or if the expulsion is not permanent, the procedures for re-admittance at the end of the expulsion period if at all; and
3. The right to appeal the Principal Learning Coach/Superintendent’s decision to the Board of Directors or the Board’s designee.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

**Appeal to the Board of Directors**
The student or his or her parent(s) may appeal the extended suspension or expulsion decision to the Board of Directors by notifying the Principal in writing within five calendar days of the date of receipt of the Principal’s decision. The Board will review the audio or transcribed record from the hearing before the Principal at a regular or specially called meeting in closed session. The Board will notify the student and his or her parent(s) of its decision within five calendar days of the meeting. The decision of the Board is final and may not be appealed.

The Principal or designee may impose immediate suspension if he or she reasonably believes such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

SECTION 5: ESPECIALLY FOR PARENTS

Parent Contact Information
Parents are responsible for notifying A+UP of any changes in their address, telephone number, and/or email address so that we can update our records accordingly. Parents are encouraged to check the campus website on a regular basis as it is our primary means of communication. It is important for parent communication that A+UP has a valid, working parent email address.

Your Involvement as a Parent
A child’s education succeeds best when there is a strong partnership between home and school, a partnership that thrives on communication. Your involvement in this partnership may include:

1. Encouraging your student to put a high priority on education and working with your student on a daily basis to make the most of the educational opportunities the school provides. Be sure your child comes to school each day prepared, rested, in appropriate attire, and ready to learn.
2. Becoming familiar with all of your child’s school activities and with the academic programs, including special programs, offered by A+UP. Discuss with the Principal Learning Coach any questions you may have about the options and opportunities available to your child.
3. Monitoring your student’s academic progress and contacting teachers as needed.
4. Attending scheduled conferences and requesting additional conferences as needed. To schedule a conference or in-person conference with a teacher or Principal Learning Coach, please call the school office for an appointment. A teacher will usually return your call or meet with you at a mutually convenient time before or after school.
5. Becoming a school volunteer. For further information, contact the Principal Learning Coach. All volunteers must complete a Volunteer Application and criminal background check prior to volunteering.
6. Offering to serve as a parent representative on a planning committee to assist in the development of educational goals and plans to improve student achievement. For further information, contact

“Opting Out” of Surveys and Activities
Parents have the right to receive notice of and deny permission for their student’s participation in:

1. Any survey concerning the private information listed above, regardless of funding;
2. School activities involving the collection, disclosure, or use of personal information gathered from their student for the purpose of marketing or selling that information;

A non-emergency, invasive physical examination, or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student (exceptions are hearing, vision, or scoliosis screenings, or any physical exam of screening permitted or required under state law.)

Notice of Teacher Qualifications
A+UP will provide parents with the qualifications of each teacher employed by the school. - Eligibility requirements for participating in extracurricular activities; and
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent, including a stepparent or legal guardian, who has been called to active duty for, is on leave from, or is returning from a deployment of at least four months will be excused by A+UP. The school will permit no more than five excused absences
per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent’s return from deployment.

**Student or Parent Complaints and Concerns**
A+UP values the opinions of its students and parents, and the public it serves. Parents and students have the right to express their views through appropriate informal and formal processes. The purpose of this grievance policy is to resolve conflicts in an efficient, expeditious, and just manner.

The Board of Directors encourages parents and the public to discuss their concerns and complaints through informal meetings with the Principal Learning Coach. Concerns and complaints should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Neither the Board of Directors nor any School employee shall unlawfully retaliate against a parent or student for voicing a concern or complaint.

The Superintendent may develop more detailed grievance procedures. The Superintendent shall ensure that the school’s grievance procedures are provided to all parents and students. The formal grievance procedure shall provide for any grievance to ultimately be considered or heard by the Board of Directors in accordance with Commissioner of Education rules.

For purposes of this policy, “days” shall mean school days, and announcement of a decision in the student’s or parent’s presence shall constitute communication of the decision.

**Informal Conferences**
A parent or student may request an informal conference with the Principal Learning Coach, teacher, or other campus administrator within seven school days of the time the parent or student knew or should have known of the event(s) giving rise to the complaint. If the person is not satisfied with the results of the informal conference, he or she may submit a written grievance form to the Principal Learning Coach. Grievance forms may be obtained from the Principal Learning Coach’s office.

**Formal Grievance Process**
The formal grievance process provides all persons with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, a person can bring concerns or complaints to the Board, as outlined below.

A grievance must specify the harm alleged by the parent and/or student, and the remedy sought. A parent or student should not submit separate or serial grievances regarding the same event or action. Multiple grievances may be consolidated at the school’s discretion. All time limits shall be strictly complied with; however, if an administrator determines that additional time is needed to complete a thorough investigation of the complaint and/or to issue a response, the administrator shall inform the parent or student in writing of the need to extend the response time and provide a specific date by which the response will be issued. Costs of any grievance shall be paid by the grievant.

**Level One Complaint – Principal Review**
A parent or student shall submit a written Level One Grievance Form to the Principal Learning Coach or designee within the later of (1) ten school days from the time the event(s) causing the complaint were or should have been known, or (2) within ten school days following an informal conference with the Principal. The school reserves the right to require the grievant to begin the grievance process at Level Two.
The Principal Learning Coach or designee must meet with the complaining parent or student. Following this conference, the Principal Learning Coach shall issue a written Level One Decision. The Level One Decision must be issued within ten school days of the Principal’s receipt of the complaint.

*Note: A complaint against the Superintendent shall begin at Level Four.*

**Level Two Complaint – Superintendent Review**
If the parent or student is not satisfied with the Level One Decision, or if no Decision is provided, the parent or student may file a written appeal to the Superintendent. The appeal must include a signed statement of the complaint, any evidence supporting the complaint, and a copy of the written complaint to the Principal and a copy of the Level One Decision, if issued. The appeal shall not include any new issues or complaints unrelated to the original complaint. The appeal must be filed within ten school days of the Level One Decision or the response deadline if no Decision is made.

The Superintendent or designee will meet with the complaining parent or student. Following this conference, the Superintendent or designee shall issue a Level Two Decision. The Level Two Decision must be issued within ten school days of the written appeal.

**Level Three Complaint – Board of Directors Review**
If the student or parent is not satisfied with the Level Three Decision, or if no decision is provided, the parent or student may submit a written appeal to the Board of Directors. The request must be filed within ten school days of the Level Two Decision or the response deadline if no Decision is made. The student or parent shall be informed of the date, time, and place of the hearing.

The Board of Directors shall hear the student or parent complaint, and may set a reasonable time limit for presenting the complaint. Only written documentation and issues previously submitted and presented by the student or parent and A+UP will be considered. An audiotape recording of the hearing may be made.

The Board of Directors shall communicate its decision, if any, orally or in writing before or during the next regularly scheduled Board meeting. If no decision is made by the end of the next regularly scheduled Board meeting, the decision being appealed shall be upheld. The Board may not delegate its authority to issue a decision, and any decision by the Board of Directors is final and may not be appealed.

If the complaint involves concerns or charges regarding a student or A+UP employee, it shall be heard by the Board in closed meeting unless the student or employee to whom the complaint pertains requests that it be heard in public.

**SECTION 6: IMPORTANT NOTICES**

**Annual Notice of Parent and Student Rights (Annual FERPA Confidentiality Notice)**
The Family Education Rights and Privacy Act (“FERPA”) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s educational records. These rights include the following:

**The Right to Inspect and Review**
Parents and/or eligible students have the right to inspect and review the student’s educational records within 45 days of the day the school receives an access. Parents or eligible students should submit to the Principal or designee a written request that identifies the record(s) they wish to inspect. A+UP will make
arrangements for access and notify the parent or eligible student for the time and place where the records may be inspected.

If circumstances effectively prevent they parent or eligible student from exercising the right to inspect and review the student’s educational records, A+UP shall provide the parent or eligible student with a copy of the records requested to make arrangements for the parent or eligible student to inspect and review the requested records.

If the student’s educational records contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information about that student.

The Right to Seek Amendment of the Student’s Educational Records
Parents or eligible students may ask A+UP to amend a record that they believe is inaccurate, misleading, or in violation of the student’s privacy rights. Parents or eligible students should submit to the Principal or designee a written request that clearly identifies the part of the record they want changed, and specifies why it is inaccurate, misleading, or in violation of the student’s privacy rights. A+UP will decide whether to amend the record as requested within a reasonable time after receiving the request. If A+UP decides not to amend the record as requested by the parent of eligible student, the school will notify the parent of eligible student of the decision and advise them to their right to a hearing to challenge the content of the student’s education records on the grounds that the information contained in the educational records is inaccurate, misleading, or in violation of the student’s privacy rights.

If, as a result of the hearing, A+UP decides that the information in the educational record is not inaccurate, misleading, or in violation of the student’s privacy rights, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of A+UP. If the school places an amended statement in the student’s educational records, A+UP is obligated to maintain the amended statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

The Right to Consent Prior to Disclosure
Parents and/or eligible students have the right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interest. A “school official” is a person employed by A+UP as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Directors; a person or company with whom A+UP has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, A+UP discloses educational records without consent to officials of another school in which a student seeks or intends to enroll or is already enrolled, so long as the disclosure is for purposes related to the student’s enrollment or transfer.
The Right to File a Complaint
Parents and/or eligible students have the right to file a complaint with the Family Policy Compliance Office of the U.S. Department of Education (“Office”) concerning alleged failures by A+UP to comply with the requirements of FERPA. These complaints should be addressed as follow:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW.
Washington, D.C. 20202

Access to Medical Records
Parents are entitled to access their student’s medical records.

Family Educational Rights and Privacy Act: Directory Information Opt Out Form
“Directory Information” means information contained in an educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Student Acceptable Use Policy

Computer Resources
To prepare students for an increasingly computerized society, A+UP has made a substantial investment in computer technology for instructional purposes. Use of those resources is restricted to students working under a teacher’s supervision and for approved proposed only. Students with access to A+UP computers and their parents agree to follow the following user agreement regarding use of these resources. Violations of this agreement may result in withdrawal of computer privileges and other disciplinary action. Electronic communications, such as e-mail using A+UP computers, are not private and may be monitored by school staff.

Technology Mission Statement
A+UP is committed to utilizing the maximum potential of technology to enhance student learning and increase teacher effectiveness by providing students with technology-related experiences. Recognizing the ever-changing influences of technology on all aspects of our lives, A+UP is dedicated to providing an integrated technological curriculum for all students and staff. Students will have access to the technology necessary to produce, manage, communicate, and retrieve information in an efficient manner for educational use. In the attainment of both present and future goals, A+UP will provide a continually evolving staff development program oriented toward the integration of technology in areas of curriculum.

Instructional Resource
A+UP is proud to bring network and Internet access to school staff and students. A+UP believes the Internet offers many diverse and unique resources to both student and staff. A+UP’s goal in providing these services to staff and students is to promote educational excellence by facilitating resource sharing innovative teaching, and communication skills.

Students and staff have access to numerous research oriented and instructional resources via the Internet. Online encyclopedias, professional journals, and databases filled with timely information on thousands to topic are just a few of the resources provided. School computers have the technology necessary to support student research and to promote academic achievement.

Student Safety
A+UP is aware that resources which are inappropriate or not designed for use in the educational setting may be accessed on the Internet. To protect students and staff from such inappropriate material, the school’s Internet access is filtered with one of the highest rated Internet filtering systems available. However, users must recognize that it is impossible for A+UP to restrict access to all controversial material and individuals must be responsible for their own actions in navigating the network.

Purpose
The purpose of this policy is to ensure school-level compliance with all procedures and regulations regarding the local area network and Internet usage. All students, parents, teachers, administrators, and school staff who obtain their Internet access through the school are expected to use these services appropriately.

User Responsibilities
The use of the Internet is a privilege. Abusive conduct will lead to the privilege being revoked. A+UP is providing Internet resources for educational purposes only. Student/staff use of Internet resources must be related to an expressed educational and/or administrative goal or objective.

1. The use of the school’s Internet and computer network must be in support of educational goals, research, and class assignments and be consistent with the educational objectives of A+UP.
2. Users must have a valid, authorized account to access the network, and use only those computer resources that are authorized. Accounts may be used only in accordance with authorized purposes.

3. Individual accounts may be used only by the owner of the account, except where specifically authorized by administrators. In the case of class accounts, all use must be under the supervision of the sponsoring teacher/supervisor.

4. The user is responsible for safeguarding the computer account. Users are expected to protect access to accounts by periodically changing the password and keeping it confidential. They must respect the privacy of others by not tampering with their files, passwords, or accounts.

**Policy Terms and Conditions**

**Acceptable Use**

Users are to properly use A+UP network resources for educational and/or administrative purposes. Respectful and responsible network etiquette and behavior should be in keeping with the school’s mission statement. Students and staff are expressly prohibited from accessing obscene, profane, vulgar, or pornographic sites or materials.

Students are prohibited from sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation or illegal. This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring or sharing obscene, sexually oriented, lewd or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, students involved in “sexting” or the sharing of inappropriate images or other content may also be disciplined for violating the school’s anti-harassment and bullying policies.

**Monitored Use**

Electronic mail transmissions and other use of the electronic communications system by students and employees shall not be considered confidential and may be monitored at any time by designated A+UP staff to ensure appropriate use for educational or administrative purposes. Forgery or attempted forgery of electronic mail messages is prohibited. Only the school’s authorized IT Manager may read, delete, copy or modify the electronic mail of other system users.

**Vandalism**

Vandalism is defined as any malicious attempt to harm, disrupt or destroy data of another user of A+UP’s network or any other agencies or networks that are connected to the Internet. This includes, but is not limited to, the uploading or creating of computer viruses. Any of these actions may be viewed as violations of school policy, administrative regulations and, possibly, as criminal activity under applicable state and federal laws. Users must respect the privacy of other users, and will not intentionally seek information on, obtain copies of, or modify any file, data, or password belonging to another user, or represent themselves as another user unless explicitly authorized. Deliberate attempts to degrade or disrupt system performance and/or degrade, disrupt or bypass system security are violations of school policy and administrative regulations, and may constitute criminal activity under applicable laws.

Any prohibited behavior under this policy will result in the cancellation of technology privileges. A+UP will, in accordance with school policy, cooperate with local, state, or federal officials in any investigation concerning or relating to misuse of the school’s network.
Network Etiquette

Each network user is expected to:

- Be polite (i.e., an all-caps message implies shouting);
- Use appropriate language;
- Refrain from any activity that may be considered “cyber bullying,” including but not limited to threats of violence, extortion, obscene or harassing messages, harassment, stalking, child pornography, and sexual exploitation;
- Maintain confidentiality of the user, colleagues, and students;
- Respect copyright laws; and
- Be respectful in all aspects of network use.

Consequences

Violation of A+UP policies and procedures concerning use of the computer on the network will result in the same disciplinary actions that would result from similar violations in other areas of school policy, including the Student Code of Conduct. Any or all of the following consequences may be enforced if a student violates the terms of this policy:

- Loss of computer privileges/Internet access, with length of time to be determined by campus administration.
- Any disciplinary consequence, including suspension or expulsion, as deemed appropriate by the administration.
- Suspension may be considered for flagrant violations or violations that corrupt the educational value of the computers or the Internet.
- Expulsion may be considered in instances where students have used the school’s Internet access to engage in conduct that constitutes felony criminal mischief, and/or have deliberately attempted to bypass installed security software or copy/modify another student’s work files.

Violations of law may also result in criminal prosecution as well as disciplinary action by A+UP.
Acceptable Use Agreement Acknowledgment Form

I have read and agree to abide by the A+UP Student Acceptable Use Policy. I further understand that any violation of this policy may constitute a criminal offense. Should I commit any violation, my Internet and computer access privileges may be revoked, and disciplinary action and/or appropriate legal action may be taken.

Electronic Communication Device Commitment Form

Electronic communications at school and at school-related functions are subject to regulation by A+UP.

This Electronic Communication Device Commitment Form grants authority and permission to A+UP to regulate electronic communication devices when these devices are brought to and/or used while on school property or when attending school related functions and events. Such communication devices include but are not limited to cellular phones, pagers, PDAs, and pocket computers. These regulations are made necessary in light of the unique opportunities these devices create for violations of law and school policies, and to perpetrate conduct disruptive of an educational environment essential to the school’s educational program. These concerns are exacerbated by electronic security protections and the personal size of these devices, which are often carried concealed in pockets and purses.

Therefore, all students who would possess or use such devices on school property or at school-related activities are required to sign this form together with their parent, guardian or other adult person having the authority of a parent for school purposes.

Each of you, by your signature below, agrees to the following:

- The possession and use of cellular phones, pagers, PDAs and other electronic communication devices by a student on school property or at school-related events is subject to regulation by A+UP.
- If a student possesses such devices on school property or while attending school-related events, A+UP is authorized and has my full consent to confiscate, power on or off, manipulate and do all things necessary to search my device and recover or intercept communications (including but not limited to text messaging) when reasonable suspicion exists that such device has been used to transmit or receive communications in violation of law, the Student Code of Conduct, school policy or regulation.
- I further understand, agree and consent that an electronic communication device used or possessed in violation of law, the Student Code of Conduct, school policy or regulation is subject to confiscation and that A+UP is not liable for any loss of or damage to confiscated devices.

Dear Parents,

A+UP is required by law to request, at the time of enrollment, that the parent or guardian of each student attending A+UP disclose the student’s food allergies. This form will satisfy this requirement.

This form allows you to disclose whether your child has a food allergy or severe food allergy that you believe should be disclosed in order for A+UP to take necessary precautions for your child’s safety.

“Severe food allergy” means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

Please list any foods to which your child is allergic or severely allergic, as well as the nature of your child’s allergic reaction to the food. A+UP will contact you for a note from your physician if your child has food allergies. Your child must have an EpiPen prescribed to help in the event of an emergency.
